### Message from the Principal

#### Primary Intake – September 2024

If you have a child that is due to start school next September (born between 1st September 2019 and 31st August 2020) the on-line application admission opens on 15 November 2023 and closes on 15 January 2024, the national closing date. Lincolnshire has a final closing date of 9 February 2024 for late applications and changes.

If you are interested in joining us here at Theddlethorpe Academy in nursery or reception class please come and have a look round.

#### Wellies

We have recently been discussing ways to make the most of our outdoor space all year round. Last year we began our OPAL (Outdoor Play and Learning) journey and think it would be brilliant to use the field at lunchtime so that there is more space for everyone. As the winter months are coming children will need to wear wellies to have fun on the field. The OPAL staff will inform us when it is a welly day.

If your child wants to go on the field after half term then this is what they need to do:

- Bring a pair of wellies into school in a carrier bag.
- The wellies and carrier bag need to stay in school and be clearly marked with your child's name inside.
- We will keep children's wellies safe by putting them on class wellie rack.
- There is no need to bring designer wellies, just get a cheap pair, as you will be keeping them in school all term.

School shoes will continue to be worn indoors and need to have your child's name on too. If you have any questions about our plans, please ask any of the School Council members or Mrs Cook. We hope you like our great idea and we hope it makes lunchtimes more fun for everyone!
