## Join the Winter Reading Challenge

[Join the Winter Mini Challenge! | Reading Agency](#)

Over the school holidays children can experience a 'dip' in reading skills and learning. With the persistent disruption to education caused by Covid-19 this is predicted to have an even greater impact on learning loss. We hope the Winter Mini Challenge can provide reading encouragement and fun for children and families.

To take part, children simply read three books or more - these can be any books of their choice. Every time they finish a book, they add it to their Challenge website [profile](#) and leave a short book review, in addition to writing it in their reading record.
